ABOUT ASEEL

History

The history of the establishment of Saleh Almudayfer Sons Holding Group dates back to the sixties of the last century AD, when Sheikh Saleh Almudayfer, may Allah have mercy on him, established his first business in trade and services in the kingdom of Saudi Arabia and by 1962, his business successfully expanded in the field of investments in building materials, and one of his most notable achievements was the establishment of Alomrariah trading industry contracting

Aseel Holding

Aseel Holding is a dynamic conglomerate, bringing together a variety of companies under a unified vision. Each subsidiary excels in its respective field, contributing to the overall strength and versatility of the group:

-Aseel Technology: Pioneering advancements in IT and communication technologies.

-Aseel Contracting: Delivering robust construction and engineering solutions across various sectors.

Aseel Holding's commitment to excellence is evident in its diverse portfolio, which reflects our ability to innovate and lead in multiple industries.

AL- MUDAYFER Investments Group

About Etihad Al Aseel

Established in 2017 in Riyadh, Etihad Al Aseel Contracting Company has swiftly emerged as a trusted provider of fully integrated Mechanical, Electrical, Plumbing (MEP), Fire Fighting and industrial construction services. Our approach is rooted in delivering the highest quality solutions, ensuring that every project is completed to the utmost satisfaction of our clients. We pride ourselves on our ability to combine top notch quality with timely execution, all while maintaining a competitive quality-to-price ratio.

Vision

Our vision is to become a leading MEP contracting company recognized throughout the GCC and on a global scale. We aim to be known for our unwavering commitment to quality, innovation, and client satisfaction, consistently setting new benchmarks in the industry

Our Mission

Our mission is to forge lasting relationships with our clients by consistently delivering superior results. We focus on exceeding expectations in every aspect of our work, from meticulous project planning to flawless execution. Our dedication to safety, environmental stewardship, and attention to detail ensures that we remain the partner of choice for our clients.

Our Commitment

At Etehad Al Aseel, we are committed to enhancing our services and products, ensuring that our customers receive a comprehensive and insightful experience. We are guided by the best international and local practices, which allow us to provide solutions that are both innovative and reliable

Our Approach

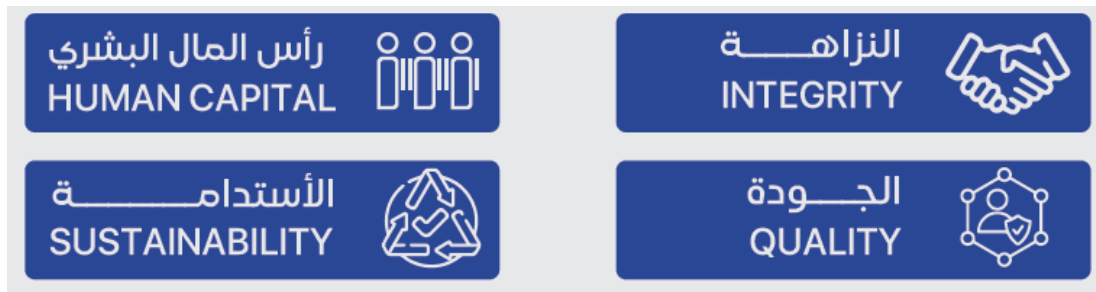

We believe that every project is an opportunity to build long term partnerships. Our philosophy is centered on understanding the unique needs of each client and delivering solutions that not only meet but exceed expectations. This client focused approach has earned us a reputation for reliability and excellence.

Core Values

Our core values are the foundation of our business practices, guiding our interactions with clients, partners, and employees:

Health, Safety & Environment

Our HSE commitment is integral to our operations at Etihad Al Aseel . We are dedicated to maintaining the highest standards of health, safety, and environmental responsibility in every project we undertake. Our comprehensive HSE policy is designed to protect our employees, clients, and the communities in which we operate, while also minimizing our environmental impact.

Quality Assurance

At Etihad Al Aseel, quality is more than a commitment it is a core principle that guides every aspect of our work. We implement rigorous quality assurance processes at every stage of a project, from design and planning to execution and final delivery. Our dedication to continuous improvement ensures that we remain at the forefront of the industry, consistently delivering results that meet or exceed client expectations.

Subject: PartnerPRO Network Authorized Partner

To Whom It May Concern,

CommScope (NASDAQ: COMM) and the recently acquired Ruckus Networks are redefining tomorrow by shaping the future of wired and wireless communications. Our combined global team of employees, innovators and technologists have empowered customers in all regions of the world to anticipate what's next and push the boundaries of what's possible.

This serves to confirm that as of the date of this letter, Aseel Gulf is a member of the CommScope PartnerPRO® Network. As a Select partner, Aseel Gulf is able to prepare and submit proposals in response to bids, to the extent the proposal submitted includes Ruckus brand products and solutions.

This authorization does not guarantee special pricing. All special pricing must be authorized by CommScope, and final pricing shall be as agreed between the customer and Aseel Gulf.

Sincerely,

Raelyn Kritzer
Vice President, Worldwide Enterprise Channel
